Check in Question What is easy to grow and hard to grow

Vine Weed

Bamboo

Beets

Green Beans

Kale,

flower

Hard to grow

Spinach

African violets

Melons

Electric fence

Goat electric fence will buy it with \$200.00 from the Goat fund raised on line.

It will help to put the goats where they can eat the black berries.

Officers of the community will decide on the goats and money on keeping the goats.

Budget

CSA will cover garden managers salary

Goat care for the year \$650.00

Budget is ok for now this year

Camping for Amy

She will camp in fir trees by life commons

She will be using Kathleen's bath room and Kathleen will be host for her.

Peace garden

Nancy will take out the scarlet barberry and ferns and will be put in her yard

Biogians decided to remove fruit trees in grape harbor move to new food forest in(fall moving)

Machine storage in barn (Katie will talk to Nartano

Woodchips location from Tom (Brent)

New interns agreed to take pictures of the roses in the garden and get names for them from Rose the rose lady. Hope to get the interns to weed while they are taking the pictures of the roses. (Laura and Caroline)

Our five areas need work a round our property

We agreed on work days (biogians)

Grape

Herbs
